Arrowhead Construction Update:

Seating Bowl - South Side

Construction continues in a feverish pace at Arrowhead. As the images reflect, numerous changes have taken place and many more are in store. New steel supports are in place, walls have been painted and new fixtures have been installed throughout Arrowhead. An estimated 70% of the renovation project for Arrowhead is scheduled to be completed before the start of the 2009-2010 NFL Season. A push is being made to get the new field lights installed along with installation of both the east and west scoreboards.

As you can see from the images, the stadium is changing daily, right before our eyes.

Kauffman: Hall of Fame

Construction of Kauffman Stadium is complete with the exception of the Hall of Fame. The Hall of Fame is scheduled to open in July of 2009. Visit the Royals Hall of Fame located inside Gate A on the left-field Plaza Level concourse. Stop by and learn the history of the Royals and professional baseball in Kansas City. Fans can see the Royals 1985 World Series Championship trophy and other artifacts from Cy Young Awards to Frank White's eight Gold Gloves and George Brett's 3,000th hit bat and baseball. Plus, check out the plaques which honor each of the twenty- three members of the Royals Hall of Fame.

See you at the game,
